

DEC 21 1955

Dear Nelson:

The attached memo was written by Charles Taquey a few days ago before having word of your eventual departure from the government. I had proposed to re-write this memo, in order to introduce further thoughts of some other members of the staff, including my own, but I realize now that speed is of the essence in getting this to you in the event that you want to use it or leave it for action later on.

We are going to miss you very much and I do hope that I will have a chance to say good-bye in person before you leave town. All the very best wishes and personal thanks for your contribution to the government and for your patient attention to the thoughts presented to you by the Special Projects Staff of the OCB.

Cordially,

H. S. Craig
Chief, Special Projects Staff

The Honorable
Nelson A. Rockefeller
Special Assistant to the President
